'12-'13	$108,000
'11-'12	$128,470
'10-'11	$128,471

Dear Friend,

Children are an inheritance from the Lord. Grandchildren are the crown of the aged. Recognizing God's supremacy and sovereignty and our collective responsibility to teach children His ways, **Highland Christian School's Foundation supports the daily work that is done at Highland Christian School through long-term financial management and endowment building activities.** Ultimately, we seek to reduce tuition, enable growth and perpetuate the beliefs, values, and priorities for which Highland Christian School was established.

The Lord has been faithful to provide the people and means necessary to steward Highland Christian School and to build a strong and growing Foundation. At present, HCS Foundation assets are valued at $4.6 million. *Would you give a gift this year to help us reach our initial goal of $5 million?* Your gift will impact students now and for generations to come.

Thank you for considering how this opportunity to impact kids for Christ fits with your charitable giving priorities. If you have questions about the HCS Foundation or would like more information about our long term goals, I'd love to speak with you in person. I can be reached by phone at 219.838.0356 x165 or by email at jlineburg@highlandchristian.org.

Warm regards,

Jodi Lineburg
