Dear Friend of HCS,

Jesus changes everything! There are so many exciting things we could talk about when it comes to Highland Christian School: the generosity of our donors, the impact of the Expansion, enrollment growth, the programs, the scholarships, the extracurricular opportunities, etc. But, at the end of the day, we are here, doing what we do, because *Jesus changes lives*.

This is why the HCS Foundation is essential to Highland Christian School. As a tuition based, community-supported Christian School, our capacity to serve is dependent on a family's ability to pay. But Jesus calls us all.

Because this is true, we're working hard to ensure that Christ-centered education remain accessible for all believing parents who desire it.

Through the HCS Foundation, we are able to support families as they navigate the cost of Christ-centered education. This year, 100 families received a gift from our Foundation. With gifts ranging from \$100 to \$3,200 per family, the wisdom, generosity, and foresight of our supporters continues to impact our community for Christ.

Now totaling \$5,237,107, the Highland Christian School Foundation has set a goal of reaching \$10,000,000 by 2030. Why? It's very simple. We want to ensure that financial resources are never a barrier for a family who desires an excellent Christ-centered education at Highland Christian.

While the true value of a Christ-centered education is realized over a lifetime, the impact of biblical instruction and spiritual nurture in these formative years is undeniable. Thanks for considering a gift towards this special goal this year.

All praise be to God!
